**It is a condition when booking with Alps in Style that you have appropriate winter sports/ summer insurance for your holiday.** If you do not already have existing cover, we strongly recommend the insurance policies specially arranged by **Fogg Travel Insurance Services Ltd.** - **Experts in insurance for over 25 years online at <http://www.fogginsure.co.uk/index.php?Affiliate=1113>** together with members of the Association of British Insurers. Unlike many other insurances Fogg policies include off-piste skiing, but insurers expect clients to act responsibly. If you wish to ski off-piste you should ski either with an experienced local guide or check with such a guide that it is suitable for your type of skiing on that day. You should never cross danger barriers or ski on closed pistes.
